

WEB SITE HOSTING AGREEMENT BETWEEN NZ WEB DESIGNERS
(hereinafter referred to as The Supplier)

and
(hereinafter referred to as The Organisation)

1. In acknowledgment of the provision of a fully-featured website provided without capital cost, The Organisation agrees to enter into a web site hosting arrangement with The Supplier at a rate of \$160.00 plus GST per quarter (i.e. every three months).
2. For prompt payment (i.e. no later than the 20th of the month following billing) a discounted rate of \$125.00 plus GST per quarter will apply instead.
3. This agreement is binding for a period of 24 calendar months.
4. Should the necessity arise to break this agreement, The Organisation agrees to pay lump sum recompense to The Supplier at a rate equivalent to \$60 times the number of unfulfilled contract months plus GST. For example, breaking the agreement at the end of 18 months, three-quarters of the way through the agreed period, would result in a compensatory settlement of 6 x \$60 = \$360 plus GST at the current rate.
5. For the hosting fees paid The Supplier agrees to maintain The Organisation site on the internet in good working order and in an up-to-date condition. The Supplier further agrees to provide to The Organisation ongoing support with learning and driving the content management system without additional cost.
